Excuse Me ♥

Hi, I just wanted to let you know that I am not going to

- ★ smile
- ★ act dumb
- ★ hide my body
- ★ pretend
- ★ lie
- ★ be silent

for you. And that everything I do I do for me and I'm not going to let you laugh at me, make fun of me, harrass me, abuse me or rape me anymore. Because I am a girl and me and my girlfriends are not afraid of you!
