My name is Annie. I wake up at 7 o'clock every day. I wash my face and brush my teeth. I put on my uniform. My mother sets the table, and I have breakfast with my family. I go to school, and my father goes to work at 9 o'clock. I always play games with my friends, but I never play basketball. I have lunch at 12 o'clock. Then I go home at 3 o'clock. I sometimes watch TV with my sister. I have dinner at 6 o'clock. I do my homework and read a book. I go to bed at 9 o'clock.
